

**WHAT: 2019 STEM Workshop**

**WHEN: April 20<sup>th</sup> .....10:00 a.m. - 1:00 p.m.**

**WHERE: Fleming Tennis Center, 1850 Chester Ave., Augusta**

**COST: FREE!!!**

Our hope is to provide participants with hands-on opportunities, while increasing their awareness and understanding of the critical role science and other STEM fields play in our everyday existence.

This unique workshop will provide participants with hands-on STEM activities. Partners include Kimberly-Clark Corporation, Society of Women Engineers, and others.

Participants will experience: The Art of Making Paper; Can Crushing – The effects of Heat & Cold; Computer Coding – Create Your Own Music, and more.

**It's fun for all!!!**

**Mentoring Academics Computers Healthy Recreation**
