Dear Community Consultant,

MACH Academy, Inc. is a 501(c) 3 non-profit community organization housed at the Fleming Tennis Center, 1850 Chester Avenue in South Augusta. The mission of **MACH Academy, Inc.** is to provide Life Skills and Community Development through Education, Technology, Home Ownership, and Recreational experiences. The focus demographics are inner city and disadvantaged youth.

MACH Academy is making plans for our **2017 Master's Week Camp** April 8 – 12, 2019. The theme for Masters Week Camp is **“Exercise Your Body and Mind.”** Learning sessions will be held from 9:00 a.m. – 5:00 p.m. Campers will be able to participate in Science, Technology, Engineering, and Math (STEM) activities, Earth Day awareness activities, tennis/fitness instruction, life skills development, and learn about nutrition and healthy eating.

Community leaders and supporters are invited to come and share their expertise with our campers on a day(s) of their choice. We especially invite scientists, engineers, City, County, and State Government Officials, medical professionals, lawyers, entrepreneurs, physical fitness instructors, nutritionists and others to share their careers, talents and skills through information, demonstrations, and hands on activities. Participants will rotate through three stations according to age levels between **9:30 a.m. and 12:30 p.m.** or **1:30 p.m. and 4:30 p.m.** **Each session** will last approximately **50 minutes.**

Campers will work in age appropriate groups (4-5; 6-7; 8-10 and 11 and up) and rotate to the specific sessions for hands on learning opportunities. We are asking for your assistance to serve as a facilitator during our 2019 Masters Camp Week. You can address each group of campers or a specific age group only. We will be appreciative of any participation you can provide.

Please complete the form on the next page and return by email to let us know if you will be able to assist during our Masters Week Camp.

With your support, our 2019 Masters Week Camp will be another exciting and fun learning opportunity for participants. Should you have questions or need more information, please call (706) 796-5046 or e-mail me at [mparks37@comcast.net](mailto:mparks37@comcast.net).

Sincerely,

Betty L. Jones
